## BATHROOM FACILITIES

All bathrooms are outfitted with 110-volt power outlets and sinks that provide hot and cold running water. In addition, they are well ventilated and acoustically insulated.

### Toilets

Our three modern porcelain toilets use fresh water and are truly state-of-the-art with electronic flush buttons. Unlike with most sailboats, you will not experience unpleasant odors from below.

### Showers

Our two enclosed showers give you enough room to move comfortably about. They are smaller than you are used to at home but bigger than most sailboat showers. We have a third shower on deck for rinsing off after a swim. Hot and cold fresh water are instant and plentiful.

The bespoke fixtures are made of solid bronze. We chose tiled walls and floors accented with Carrara marble.

## CABIN ARRANGEMENT

Cabin 1 has two non-bunked twins. Cabin 2 is our single. Cabins 3, 4, and 6 feature bunked twins. Cabins 5, 7, 8, and 9 have queens. If you have a specific cabin number in mind, just let us know when you book.
