

## SCHOONER AMERICAN EAGLE CAPT. TYLER R. KING

Come sailing with us aboard the American Eagle, a unique adventure exploring the beautiful coast of Maine. Enjoy delicious food and visit places only accessible by water; escape into the simplicity of a shipboard routine sailing amongst the islands of Penobscot Bay and beyond. With our 92 feet of uncluttered deck space for up to 26 guests, there is plenty of room to lounge in the sun, read a book, or help with sailing the schooner while we make our way to our next harbor.

Built in 1930, the American Eagle is one of the last of her kind. Designed to fish the North Atlantic in all weather, her unparalleled comfort and stability are the result of over 300 years of evolution. With accommodations that honor her fishing heritage, her rich wood paneling, spacious main cabin, and cozy staterooms exemplify the elegance of a traditional sailing vessel.

### AMERICAN EAGLE OFFERINGS FOR 2026

#### Specialty Trips

**Schooner Gam with Reese Fulmer & the Carriage House Band** ~ June 7 ~ The first of our Maine Windjammer event of the season! One evening we raft up with the entire fleet for an evening together. Joining us on this 5-night adventure is the modern folk group Reese Fulmer and the Carriage House Band.

**Sail 4th** ~ June 28 & July 10 ~ Join the American Eagle as we sail back to New York City for the first time since 1986 and join the Sail4th activities. Celebrating the 250th anniversary of the founding of the United States, Sail4th will be the largest-ever flotilla of tall ships from around the world, all sailing in to the Port of New York and New Jersey for a truly majestic nautical spectacle.

**Sail Boston** ~ July 10 ~ After our trip to NYC for Sail4th, the American Eagle will be joining the party as it heads north to SailBoston. This unforgettable experience will showcase tall ships from all over the world, all convening in Boston Harbor. What's better than a front row seat to a generational spectacle like this?

**Hiking & Island Exploration** ~ Aug 2 & Aug 16 ~ Explore more of what the hundreds of islands in our cruising ground have to offer. Hiking is anywhere from a stroll to a bit of rock scrambling with water views around every corner! If hiking isn't quite to your taste, it is a nice time to relax on the many pocket beaches, wade in the tidepools, and take in the surroundings. Cool off after your hike with a swim before dinner.

**WoodenBoat Sail-In** ~ Sept. 13 ~ Our last fleet get-together of the season. We all meet in Brooklin, Maine, home to the world-renowned WoodenBoat Magazine and WoodenBoat School, for an evening of music and small boat activities.

#### Standard Trips

**3 Day Trips** ~ The perfect addition to any trip to Maine! Two days of sailing Penobscot Bay complete with a classic Maine lobster bake. Take a break from the hustle and bustle of daily life and relax aboard the American Eagle as we sail around Penobscot Bay. Our three day trips are the perfect addition to your summer Maine vacation.

#### **4 Day Trips**

Explore a bit further from our home of Rockland, Maine on a four day trip aboard the *American Eagle*. These trips are a great introduction to windjamming and offer enough time sailing to fall in to the relaxing schedule of sailing Penobscot Bay.

#### **5 & 6 Day Trips**

Explore Penobscot Bay and beyond on one of our longer regular trips. Sail to further destinations like Mount Desert Island or Isle au Haut on our long trips with no set itinerary. A five or six day trip is the classic Maine windjammer experience, giving plenty of time to visit our favorite locations.

No matter how long you're aboard, we strive to make your time with us a safe, fun, and rejuvenating experience. Whether you are a seasoned guest or you're new to windjamming, our all-inclusive trips provide you with incredible views, great food, and memories for a lifetime. The American Eagle is owner-operated, meaning I am your host each day of every trip, and the crew and I are happy to share our knowledge, skills, and camaraderie with you. It is with our guests at heart that we work year-round to ensure that this National Historic Landmark is always at her best.

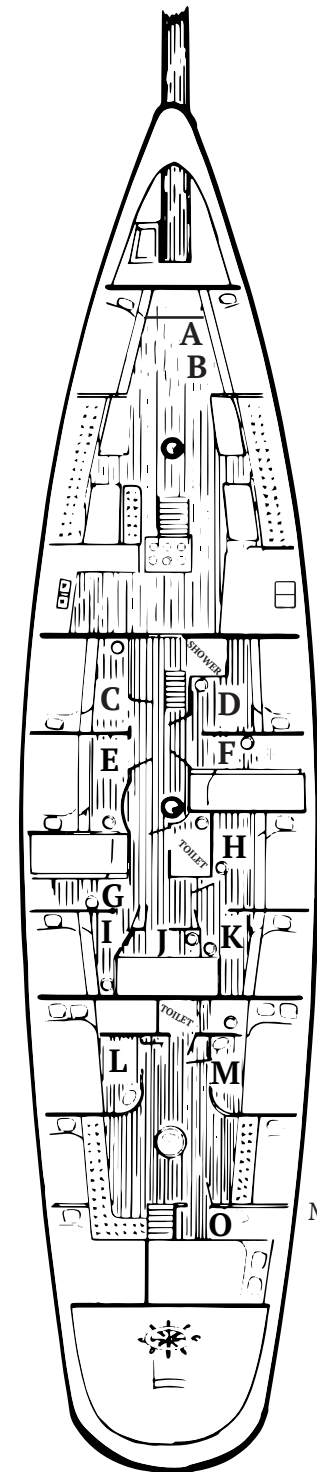

We hope to have you join us in 2025!
